

ANDROID APP DEVELOPMENT

USING ANDROID STUDIO

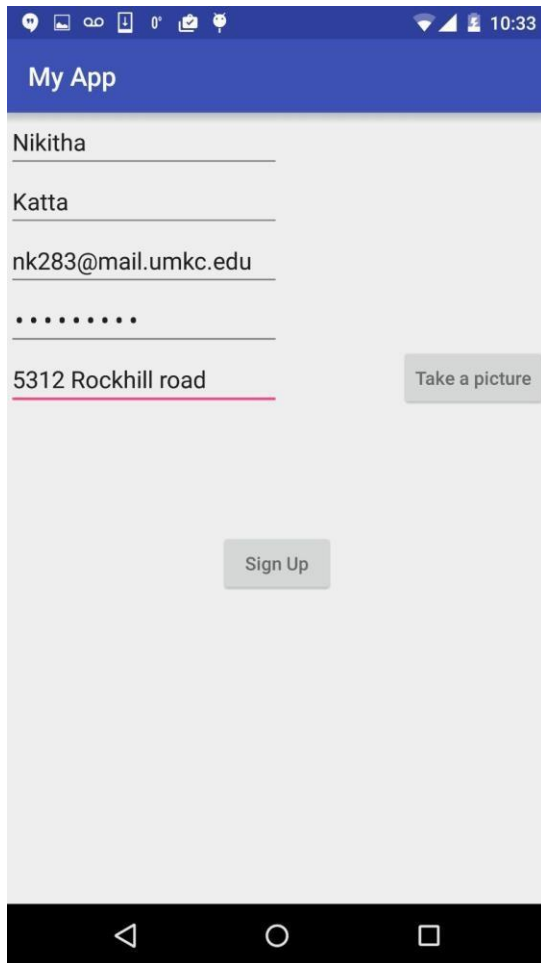

(LAB #3)

Sign up page with Basic details, First name, Last name, Image, Address.

The screenshot shows a mobile application interface for a sign-up page. At the top, there is a blue header bar with the text "My App". Below the header, the page has a light gray background. On the left side, there are five text input fields stacked vertically, each with a label above it: "First Name", "last Name", "Username", "Password", and "Address". The "First Name" field has a red underline. To the right of the "Address" field, there is a gray button labeled "Take a picture". At the bottom center of the form area, there is a gray button labeled "Sign Up". The top of the screen shows an Android status bar with various icons and the time "10:26". The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps buttons.

Sign up details are given

The screenshot shows a mobile application interface for signing up. At the top, there is a blue header bar with the text "My App". Below the header, the form contains several input fields: a name field with "Nikitha", a last name field with "Katta", an email field with "nk283@mail.umkc.edu", a password field with seven dots, and an address field with "5312 Rockhill road". To the right of the address field is a button labeled "Take a picture". Below the address field is a "Sign Up" button. The bottom of the screen shows the Android navigation bar with back, home, and recent apps icons. The status bar at the very top shows various icons and the time "10:33".
